7. (Confidential - GLC) LIAISON James Calloway, Chief Counsel, Senate Appropriations Committee, called and requested any information we could give him about an individual in the Washington area named who allegedly works for the Agency as an independent contractor. I asked Calloway if he could give us any further details, full name, date of birth, etc., and he said he had none.	STA

- 9. (Internal Use Only GLC) INTELLIGENCE BRIEFING Talked to Lewis Hunter, GAO, in response to his call yesterday and told him that I had made arrangements for Bob Brady, of his staff, to come to the Agency for a briefing on Spain at 4:00 p.m. this afternoon. I reiterated that this briefing should be for GAO's background purposes only and also that neither at Headquarters or in the field would we discuss Agency operations with Brady. Hunter said he understood completely and would be sure that Brady did also.
- 10. (Confidential GLC) HEARING Late in the day, Mr. Elder called to advise me of a call he had received from William Miller, Senate Select Committee staff, indicating that at a meeting this afternoon, the Select Committee decided that Senator Edward M. Kennedy (D., Mass.) had a legitimate interest in obtaining the information on behavioral testing and related activities which he had requested from the Agency and, therefore, the Senate Select Committee did not propose to take any action with Senator Kennedy on the basis of the Director's letter yesterday.
